Women's Thankoffering Service | Sunday November 10th

Women of the Lutheran church have been gathering for Thankoffering services since the early 1900s. It is a tradition grounded in our celebration of community. We meet together as faithful women to joyfully give thanks and praise for what God has given to us.

Women help lead worship, special Biblical stories about women of faith are read, and this year we will also bless the pillowcases our ladies recently made which are being donated to children and youth who are hospitalized or ill in hope they feel God's love when they rest their heads on them. A special offering is also received during the service and used to support the Salem Women's ministries and outreach.

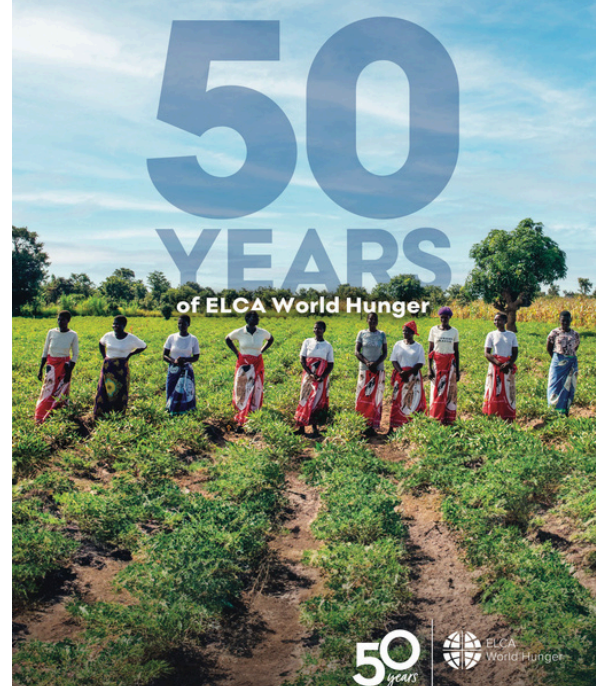

We give thanks to God for all the women, past and present, who have generously given their time, gifts, and resources to enable Salem to reach out in amazingly creative and hopeful ways throughout the years. We also give thanks to God for their love and dedication to Salem other the years and are excited to see their faith active in our community and the world for many-many years to come.

ELCA World Hunger: 50 Years

For 50 years ELCA Lutherans have been feeding hungry people. In 1974, famine in Africa & South Asia took around 2 million lives. The Lutheran Churches that later became the ELCA responded with World Hunger Appeal. That work against hunger in the world has continued for 50 years.

Our congregation gave \$34.87 per confirmed member in 2023.

How about this year we shoot for **\$50 (or more) per confirmed member** as a way of celebrating ELCA World Hunger's 50 years.
